

## Application for Skill-Based Prize Insurance

---

### Instructions On Completing This Form:

The Applicant(s) must give a fair presentation of the risk to be insured by disclosing all material matters or circumstances which the Applicant(s) knows or ought to know. A matter is material if it would influence the judgement of a prudent underwriter as to whether to accept the risk, or the terms of the insurance (including premium). For these purposes, the Applicant(s) knows material matters which are known to its senior management, or anybody responsible for arranging its insurance. The Applicant(s) also knows material matters which should reasonably have been revealed by a reasonable search of information available to it, which includes information held by third parties. The Applicant(s) should therefore conduct a reasonable search of such information. The Applicant(s) must disclose all material matters and circumstances known to it in a reasonably clear and accessible way, whether or not they are the subject of a specific question in this Application Form and any appendices ('Application Form').

Please answer all questions fully and tick all relevant boxes. If there is insufficient space provided to answer questions fully or if there are any material matters or circumstances not specifically covered by a question in this Application Form, they must be listed on a separate sheet of paper which must be signed, dated and attached.

Where there is reference to a defined term in this Application Form these are outlined in full in the applicable Contract of Insurance wording.

For further details or if there is any doubt as to what facts or circumstances should be disclosed, the Applicant(s) should contact their insurance broker.
