

Property Insurance

Protecting the equipment your organization depends on.

Protect the Critical Gear & Assets That Power Every Event.

Property & Equipment Insurance covers financial losses from damage to owned facilities, specialized equipment, lighting, sound, and staging—keeping your clients' operations moving forward.

Helping Protect Your Valuable Equipment

Your equipment represents a significant investment and plays a critical role in delivering successful events, programs, and competitions. Our coverage helps ensure your organization is prepared when the unexpected happens.

Insured Creativity's Property Insurance benefits you in many ways:

- Protection for owned sports, recreation, and event equipment.
- Helps reduce the financial impact of theft, damage, or covered losses.
- Coverage designed for mobile equipment used at multiple locations.
- Supports business continuity by helping replace damaged or lost property.
- Flexible solutions tailored to sports organizations, clubs, leagues, venues, and event operators.

How This Impacts Your Business

Property & Equipment Insurance helps protect the assets your organization relies on while supporting business continuity when unexpected losses occur.

- **Property:**
